UK Technology Conference 2020, Istanbul - Turkey
17 February 2020

The Department for International Trade (DIT) is delighted to invite you to join to the UK Technology Conference 2020 where DIT Trade & Investment experts will showcase UK's expertise in the technology sphere.

UK Technology Conference will bring together thought-leaders from business and government and host a series of exclusive keynotes, panel discussions and workshops in multiple sectors including Fintech, Agritech, Healthcare, Digital Manufacturing, Science and Innovation, Open Data and Smart Cities. The event will host a delegation of UK companies and will include the finale of the GREAT Entrepreneur Games Awards 2019, celebrating some of Turkey's best and brightest talent in technology start-ups.

Why you should attend?

- To learn about the tools that will help you expand your business in the UK
- To learn about UK's capabilities in smart technologies and meet with British companies to explore areas of collaboration
- To gain an insight of the UK impact investment ecosystem
- To explore mutually beneficial Fintech initiatives to facilitate economic growth

Who should attend?

Technology businesses and entrepreneurs who want to learn more about the opportunities to expand their business in the UK. Industries, businesses, government and public bodies interested in learning more about UK's expertise in smart technologies and buying services and products from the UK. Universities and research institutions wanting to find out about research funding opportunities and identify areas of R&D collaboration between the UK and Turkey.
